~~~~~

Notice that Belgrade airport is currently under construction, so it is a bit messy, especially at the Arrivals. The taxi counter should be at your right once you exit the passport and custom controls. It is not very big, so you should look carefully. Next to the taxi counter there should be ATM machines, if you need some dinars (RSD) to pay for the taxi. Do not exchange money at the airport, the course there is usually very bad.

Exchange rates:

1 EUR = 117,3621 RSD

1 USD = 117,2097 RSD
