

59. Winter School of Theoretical Physics and third COST Action CA18108 Training School "Gravity -- Classical, Quantum and Phenomenology"

Monday 13 February 2023

Astrophysical black holes: theory and observations (09:00 - 11:00)

-Conveners: Andrea Maselli

Astrophysical black holes: theory and observations (11:30 - 13:30)

-Conveners: Andrea Maselli

Tuesday 14 February 2023

Astrophysical black holes: theory and observations (09:00 - 11:00)

-Conveners: Andrea Maselli

Wednesday 15 February 2023

Astrophysical black holes: theory and observations (09:00 - 11:00)

-Conveners: **Andrea Maselli**
