

59. Winter School of Theoretical Physics and third COST Action CA18108 Training School "Gravity -- Classical, Quantum and Phenomenology"

Saturday 18 February 2023

Search for Lorentz Invariance Violation with time-lag on gamma-ray Cherenkov Telescope data : From the data to the time lag constraints (09:00 - 11:00)

-Conveners: Sami Caroff

Search for Lorentz Invariance Violation with time-lag on gamma-ray Cherenkov Telescope data : From the data to the time lag constraints (11:30 - 13:30)

-Conveners: Sami Caroff

Sunday 19 February 2023

Search for Lorentz Invariance Violation with time-lag on gamma-ray Cherenkov Telescope data : From the data to the time lag constraints (16:30 - 18:30)

-Conveners: Sami Caroff
