

COST CA18108 Fourth Annual Conference - Rijeka (Croatia)

Wednesday 12 July 2023

Virtual joint session with QG2023 - Room 0-29 (09:00 - 10:40)

-Conveners: Giulia Gubitosi

time	[id] title	presenter
09:00	[133] Are we now really at the dawn of quantum-gravity phenomenology?	AMELINO-CAMELIA, Giovanni
10:00	[134] High precision classical gravitational wave physics from a worldline quantum field theory	PLEFKA, Jan

Virtual joint session with QG2023 - Room 0-29 (11:00 - 12:30)

-Conveners: Giulia Gubitosi

time	[id] title	presenter
11:00	[135] Quantum gravity predictions for particle physics and cosmology	WETTERICH, Christof
12:00	[136] CA18108 network: new challenges and opportunities for research in quantum gravity phenomenology	Prof. CARMONA, José Manuel
